Overview:

The following rule changes will become effective immediately.

1. Replace the opening of Article 2.1.D and Article 2.1.D.1 with the following.

D. REGIONAL LICENSES

The Regional Rally License may be used for driving or co-driving duties.

1. The fees for a Regional License are as follows.
 - i. Except as described below, the fee for a Regional License is \$150.
 - ii. The fee for upgrading a valid USAC Rally License to a Rally America Regional License is \$25.
 - iii. The fee for a Regional License for a Canadian resident who holds a valid CARS license is \$75 per event.
 - iv. The fee for a Single-Event Regional License is \$75. There is no credit for fees paid when upgrading a Single-Event Regional License to another Rally License.
 - v. The additional license fee for Dual Entry (single event) is \$75.
2. Replace Article 2.1.D.3.b with the following.
 - b. License holder who has entered the regional rallies run concurrent with a national rally may also enter that national rally (aka dual entry) and earn points) and earn points ~~upon payment of an additional license fee of \$75.~~ This is limited to three national rallies in a season.

3. Replace Article 2.1.D.3.c with the following.
 - c. Except for single event licenses, the License is valid for one calendar year from date of issue or renewal.

4. Replace Article 2.1.E.1 with the following.

1. The fees for a National Rally License are as follows:
 - a. The fee for a National License is \$300.00.
 - b. The fee for upgrading a valid USAC rally license to a Rally America National License is \$175.

There is no credit for mid-season upgrades from any Regional License to a National License.

There is no single-event National Rally License.

Rationale: The relationship with USAC continues to develop and these changes allow for USAC license holders to obtain a Rally America license at a minimal incremental cost and to offer the option of a single event license for regional entrants.

Questions regarding this bulletin received by Rally America from licensed Drivers and Co-Drivers will be answered in writing.
